GROUP VOTES EXTENSION OF RENT CONTROL

Bill Provides Restrictions Will End in December in Cities That Do Not Vote for Plan

NO STATE AUTHORITY

Washington, May 18—(P)—The house banking committee voted 13 to 4 today for another year of federal rent control.

The bill provides, however, that controls will end December 31 in cities that do not vote to continue them until June 30, 1951.

The present rent control law expires at the end of next month.

The committee's action sends its bill to the house. The measure, sponsored by Chairman Spence (D-Ky.), has these main provisions:

1. Continuation of the federal control powers to June 30, 1951.

2. Increased "local option" provisions whereby localities can determine whether they want further controls. A city would have the power at any time to vote out controls. Once taken off, no rent ceilings could be reimposed in a particular locality.

3. Rent controls to end automatically December 31 in all localities where the local governing body or the people in referendum do not decide to continue the controls to June 30, 1951.

Governors of the various states would have no authority to veto the action of cities taking themselves out from under the federal rent ceilings.

President Truman asked for a renewal of the present law April 21. He said "a sudden and simultaneous removal of rent controls on a national scale would precipitate a wave of exorbitant rent increases."

Mr. Truman also argued that rent increases would mean the average family would have to cut its spending for food and clothing. He said that would lead to unemployment.

Labor groups also campaigned strongly for continuation of controls.

Teacher Identified As Communist Fired

Pittsburgh, May 18—(P)—Dorothy Albert, a Pittsburgh school teacher who was described as a Communist by ex-FBI agent Matthew Cvetich a few weeks ago, has lost her job.

Miss Albert was fired by the board of education yesterday. The 14 members attending the session voted unanimously to oust her.

A school teacher 18 years, Miss Albert was identified as a Communist by Cvetich when he testified before the house un-American activities committee a few weeks ago.

Miss Albert denied the accusation.

She appeared at the hearing where she lost her job. She told the board she challenges anyone to bring forth a complaint she did not perform her duties honestly and efficiently.

The dismissal was effective as of last March 28, the day she was suspended by the board to await a formal hearing.

Centuries-Old Passion Play Staged For First Time in the Past Sixteen Years

Oberammergau, Germany, May 18—(The centuries-old passion play was staged today for the first time in 16 years, with a schoolgirl playing the Virgin Mary and an innkeeper cast as Christ.

A capacity audience of 5,200 watched as a cast of 1,500 villagers put on the dazzling spectacle with all its 300-year-old pageantry.

Dignitaries attending the premiere included west German premier Konrad Adenauer and American and British high commissioners John McCloy and Sir Brian Robertson.

The officials sat in a special rear box of the arch-roofed amphitheater. From there they looked over the audience and out upon the open stage backdrop depicting the Bavarian Alps, dotted with cottages.

The attention of the audience was focussed chiefly upon Anton Preisinger, brown-bearded villager in the role of Christ, and Annemarie Mayr, 16-year-old wood carving student portraying the Virgin Mary.

Christ, clad in a pale yellow robe with a crimson cloak thrown over his right shoulder, appeared in the first scene—driving the money changers from the temple. Preisinger's performance was forceful.

Mary was devout and saintly when she stepped onto the stage for the first time a short while later.

No Survivors Reported In Crash of B-29 Bomber On Landing Field In the Azores

Shreveport, La., May 18—(P)—A B-29 bomber carrying 16 persons crashed in the Azores with "no survivors," Barksdale air force base announced today.

Capt. Salvatore Pelle, Barksdale public information officer, said no high-ranking officers were aboard.

The bomber was enroute to England on a routine training mission when it crashed at 8:59 p. m. (E. S.T.). Last night while landing at the Lages Air Force Base, Pelle said.

The plane left here with 11 crewmen and five passengers, probably military personnel. Pelle said all 16 presumably were aboard when the plane crashed.

Pelle said no list of the persons could be issued immediately.

The B-29 had left Bermuda for England and was diverted to Lages AFB when engine trouble developed, Pelle said. He added that the plane "definitely is one of ours."

The bomber, attached to the 501st bomb wing at Barksdale AFB here, was en route to England as part of the Air Force rotational policy to provide overseas training for regular air force groups.

The first planes of the group left Barksdale about May 5.

Ponta Delgada, Azores, May 18—(P)—A B-29 bomber crashed off the runway at Lages field last night and burst into flames, killing all 16 persons aboard.

Unofficial reports said the U. S. Air Force plane hit an automobile parked off the field. The plane caught fire immediately and burned in a few minutes. Fourteen men were burned beyond recognition.

The plane, carrying a crew of 11 and five passengers, believed to be military personnel, was en route from Bermuda to England.

Its home was Barksdale Air Force Base at Shreveport, La.

Democrats of State Spurred to Action By Imposing G. O. P. Turnout Tuesday

Harrisburg, May 18—(P)—The imposing Republican primary turnout spurred Democrats into action today for an all-out effort to take over the state government in the fall campaign.

Maurice Spahn, Jr., Democratic state chairman, called a meeting of his statewide candidates tentatively for May 31 to map out strategy to combat the victorious GOP ticket. The slate was headed by Gov. James H. Duff for U. S. senator and John S. Fine for governor.

"We're going to roll up our sleeves and really fight," said Spahn. His party, contrasted to the bitter Republican factional split, had a unity in Tuesday's primary.

U. S. Sen. Francis J. Myers was unopposed for re-nomination. Richardson Dilworth, supported by the organization, swamped an independent Democrat for the gubernatorial nomination.

Spahn also indicated that Republicans will have to eat a lot of harsh words exchanged among each other prior to Tuesday.

Duff and Fine had been arrayed against U. S. Rep. John C. Kunkel and Jay Cooke for U. S. senator and governor, respectively. Final tabulations with all but 24 of the state's 8,347 precincts showed the vote to be:

For U. S. senator—Duff 949,791; Kunkel 428,562.

For governor—Fine 777,486; Cooke 583,772.

Republicans were silent on their plans for the general election campaign. Duff and Fine will meet at Indiantown Gap Sunday for the first time since the primary but no formal discussions were expected to take place.

The governor already has asked that both factions in the GOP unite in opposition to the Democrats in the fall.

A meeting of the Republican state committee at Philadelphia June 10 will go far in telling the tale of how far the GOP can head (Turn to Page Twelve)

Committee Votes to Cut Interest Rate Being Paid On Overpayment of Taxes

Washington, May 18—(P)—The house ways and means committee voted today to cut to 2 percent the interest rate the government pays on overpayments of taxes that later are refunded.

The rate now is 6 percent. The committee decided to keep at 6 percent the rate the taxpayer must pay if he is late with his payments.

At present, the government pays out about \$100,000,000 a year in interest on tax overpayments later refunded. Staff experts advised the committee that cutting the rate from 6 to 2 percent would save the government \$67,000,000 a year.

Some big taxpayers are suspected in fact of deliberately overpaying their taxes in order to collect the 6 percent. Interest rates being what they are and bond yields as low as they are—an overpayment of taxes is one of the most profitable safe investments a man with surplus money can make.

The proposed cut is being written into the new tax bill the committee is drafting.

It has made a number of proposed cuts in taxes. The most controversial of these, at least within the committee, is a proposed drop of 25 to 16 percent in the tax on long-term capital gains.

The main argument there is whether the cut in taxes on stock and bond deals would help market speculators more than it would the nation's economy.

The proposal, approved by the house ways and means committee yesterday, would apply to trading in real estate and commodities, as well as to stocks and bonds. The committee's action brought an immediate dispute among its members.

REJECTS PLAN FOR CHANGING FED. AGENCIES

Washington, May 18—(P)—New reorganization headlines piled up today for President Truman's senate forces, already four-time losers in efforts to ward off attacks on his plans for revising federal agencies.

Senator Holland (D-Fla.) disclosed that he might call up for a vote during the day a resolution to kill the controversial plan giving the Secretary of Agriculture power to reorganize his department.

And Senator Edwin C. Johnson (D-Colo.), who has led successful fights against two administration reorganization plans, indicated he might ask the senate to disapprove two more, affecting the federal trade and power commissions.

Another plan calling for changes in the labor department was up for action in the house.

Johnson rolled up his double triumph yesterday when the senate killed the Interstate Commerce and Federal Communication Commission plans. The votes were 66 to 13 and 50 to 23, respectively.

Two other plans—to eliminate the office of National Labor Relations Board general counsel, and to place the comptroller of currency under the secretary of treasury—were junked by the senate last week.

Congress is required to vote only on those reorganization proposals against which resolutions of disapproval have been introduced.

PROFITABLE YEAR IS PREDICTED BY SNYDER

Memphis, May 18—(P)—Secretary of the Treasury Snyder said today that 1950 "will be one of the most profitable business years in our history."

"There is sound basis for confidence in the business outlook for our nation," he said in a speech prepared for the 60th annual convention of the Tennessee Bankers Association.

Reciting that business profits this year "are less likely to be held down by inventory losses since commodity prices have shown a firm trend for nearly a year," Snyder questioned whether new capital outlays by business will be cut back as much as was earlier estimated.

He said strong points in the business picture include high level home building, auto production and consumer incomes and spending.

WNAE OFF AIR TWO TWELVES DURING DAY
WNAE was off the air from 9:06 a. m. to 9:25 a. m. to replace a burned out transformer. Through the co-operation of John Fenstermaker and John Donovan of Pennsylvania Electric Company, WNAE was able to continue operation after its 6900 volt power transformer burned out during an early morning test. The Fenelec loaned WNAE a transformer which was installed during the 9:06 a. m. shut-down. Homer Haines and Richard Gilson first made an emergency replacement before sign-on. They were operating at reduced power of approximately 150 watts, instead of the normal 1000 watt power.

The new transformer will come from the Raytheon factory at Waltham, Mass. The transmitter was again off the air at 11:55 a. m., until 12:06 p. m., for a second replacement.

Four-Term Member Of Assembly Purge Victim In Election

Harrisburg, May 18—(P)—A four-term member of the state house of representatives was a "purge" victim today of Gov. James H. Duff's triumphal primary sweep.

The victim, Warner M. Depuy, Pike county Republican, fell into bad graces with Duff when he headed the Kunkle-Cooke primary campaign in Pike county.

Duff retaliated by making a personal appeal to Pike county Republican voters to "purge" Depuy from party office. The voters responded by nominating Depuy's opponent, August Metz Jr., Millford manufacturer, for the house seat.

Depuy was one of 17 incumbent house members who failed to gain the primary nomination for re-election. The list included 11 Republicans and 6 Democrats.

Another anti-Duff leader, James A. Geltz, of Allegheny county, chairman of the state finance committee, also was defeated in the Duff-Fine victory route.

Thomas H. W. Jones, of Montgomery county, was unopposed for the Republican nomination for the seat of house majority leader succeeding Charles H. Brunner, of Norristown. Brunner did not seek re-election.

PACT POWERS ACT TO HALT COMMUNISM

Each of Twelve Member Foreign Ministers to Appoint Deputy to Serve On Committee

POLICIES ARE OUTLINED

London, May 18—(P)—Atlantic pact foreign ministers set up a permanent high command tonight and ordered it to develop the armed forces necessary for the defense of western Europe.

Each of the 12 member foreign ministers will appoint a deputy to serve on the permanent committee.

The appointments will be made "with the least possible delay" so that the deputies can proceed to appoint a full-time chairman from among their members, the foreign ministers announced in a communique at the close of their four day session.

This was in line with an agreement to set up a high command to block Communism, whether it tries armed attack or "Trojan horse" conquest.

The communique said the permanent high command will execute policies and be responsible "for formulating issues requiring decisions by the member governments."

The highest priority tasks of the permanent council will be: 1. To coordinate the work of the North Atlantic Council's defense committee, its defense financial and Economic Committee and all other agencies established under the treaty.

2. Recommend to governments the steps necessary to get coordinated plans into operation for the defense of the North Atlantic area.

Continuing their meeting here, the foreign ministers of the 12 Atlantic pact nations disclosed last night anti-Red defense measures would be directed, and coordinated, by a permanent council of their deputies, probably headed by an American.

European newspapers have been full of speculation about who the council head would be. Those mentioned include W. Averell Harriman, roving ambassador for the Marshall plan; Robert A. Lovett, former under-secretary of state; Gen. Omar A. Bradley, chairman of the U. S. joint chiefs of staff, and Gen. Dwight D. Eisenhower, wartime supreme Allied commander in Europe.

Further Plans For Youth Canteen Are Being Considered

Fifteen members of the steering committee of the Community Youth Canteen met in the YMCA building last evening to discuss further plans of organization.

Scott Calderwood, chairman of the organization committee, was present at the meeting and gave his report on what work had been done so far toward the forming of a non-profit incorporation.

It was the thought of the group to hold an incorporation meeting on June 14, at which time every organization in town should have representatives present if it is interested. Mrs. J. M. Bailey, secretary, was given the responsibility to see that each group was contacted in some way by that time,

and the idea of the set-up explained to it.

Mrs. Walter Mathyer gave a report of the doings of the youth committee meeting held Tuesday evening, stating that the youngsters have a number of money-raising ideas on the fire, also that the committee was in favor of a rally some time in August or early September.

Appointment of Eldo DeLong as building committee chairman was made by the president Charles Koebley. Both Mr. DeLong and Mr. Koebley made a report of the bad condition of the roof of the building and gave the possibilities of what could be done with it.

With no further discussion the meeting was adjourned until June 14.

KINZUA

Kinzua, May 18—All parents of school children are invited to attend a meeting at the school at 8 p. m. Thursday for discussion of a Bookmobile library. Mrs. Gerald Archibald, county PTA president, will be present to explain the project and answer questions. Following the meeting, plans will be discussed for the closing-day school picnic.

In spite of the rain Wednesday the ball diamond was in good condition for the ball game between Kinzua and James City at Kinzua. The boys had to put forth more effort than they did in the game

Sunday and they came up with a score of 4 to 3 in favor of Kinzua. Wallace Murray was ill last week but is now recovering favorably.

The Girl Scouts will be selling fudge one day this week to help toward their trip to camp this summer. The girls would like to have the articles for the overseas school bags turned in as soon as possible. There is a box in the auxiliary room in which to put whatever anyone may have to turn in, also a list there of some of the things the school bags may contain.

A group of firemen from Kinzua attended the Warren county fire meeting in Tidioute Thursday evening.

Elks Set Goal In Treasurer's Bond Independence Drive

The Warren Lodge of Elks will conduct a sales campaign among its members in support of the U. S. Savings Bond Independence Drive that opens May 15. R. J. Weigle, Exalted Ruler, said today.

With the Order's membership now at the million mark, Emmett T. Anderson of Tacoma, Wash., Grand Exalted Ruler, has set a national quota for Elks of a million bonds, urging every member to "take an active part in the Savings Bond Independence Drive not only by purchasing bonds but also by encouraging others to purchase them", Mr. Weigle said.

Because of the Order's outstanding service in previous bond drives the Treasury Department has asked the Elks to take the job of obtaining sales reports of all groups in each community on Flag Day, June 14, the half-way mark of the drive which ends on July 4. The occasion has been designated as E-Day, for Bond Day, and the sales reports will be scheduled as a feature of the Flag Day celebrations which each of the Order's 1,558 lodges will hold throughout the nation, according to Judge James T. Hallinan, of New York, Chairman of the Elks National Service Commission which is directing the Order's Savings Bond Campaign.

The Flag Day—E-Day program of the Elks will climax an intense period of patriotic activities beginning with a nation-wide "Wake Up America" program.

Exalted Ruler Weigle has appointed a committee to conduct the local lodge's Savings Bond campaign.

BUDDY POPPY DAY HONORS WAR DEAD

"The V. F. W. Slogan 'to honor the dead by helping the living', is reflected during Buddy Poppy Days here on Friday and Saturday, May 19 and 20," Commander Arnold, of V. F. W. Post 631, said today.

Buddy Poppy Days, held to raise funds for the aid, relief and comfort of disabled and needy veterans, their dependents or their widows and orphans is a fitting tribute to our war dead," Commander Albert F. Arnold says. Stressing the need for funds this year for veteran rehabilitation, the Commander cited the terrific toll of World War II.

"The million casualties inflicted upon our World War II veterans have added greatly to the need for funds to carry on the V. F. W. welfare program," Commander Arnold says.

"And we must not forget that there are large numbers of veterans of World War I, and other wars and campaigns who are still paying the price of freedom," Arnold stresses.

Not only does the V. F. W. seek aid for those who are wounded in our wars, but the organization stands ready to serve all those honorably discharged veterans who are in need.

Commander Arnold says that he hopes this year's Buddy Poppy drive the 18th and 20th will meet with the success of past campaigns.

KEEP OFF THEIR LEVEL

The United States has ordered Czechoslovakia to reduce its American diplomatic staff, in retaliation for the Czechs' insistence that we cut our embassy staff in Prague by two-thirds.

Assuming that Czech diplomatic personnel in this country is loyal to the Communist regime in Prague, no one could feel much regret at any impending departures.

For the diplomatic corps of the satellite nations, like that of Russia itself, probably constitute a cloak for diligent espionage activities.

It seems unfortunate, though, that we frequently feel we must resort to reprisals in matters of this sort. The technique smacks of small-boy revenge. It's the very kind of thing the Russians themselves can most be counted on to do.

The less often we permit ourselves to be maneuvered into positions where we must take reprisal, the better it will be.

TYPICAL CALLOUSNESS

After 18 months the Chinese Communists have released the two American airmen who had the misfortune to make an emergency landing in Red-held territory near Tsingtao.

Countless appeals were made to Communist authorities for their release, all to no avail until now. When the two finally were allowed to go, the Reds offered a trumped up charge of espionage as excuse for the long imprisonment.

But from this distant vantage point it looks as if the Communist regime saw in the incident another opportunity to humiliate the U. S.—and white men generally—in the Far East. Having poured it on this long, they may finally have decided the captured airmen were no further use to them.

To Reds everywhere, human beings are grist for the propaganda mills.

When you are asked to buy a Buddy Poppy this weekend by workers for the Dinsmoor-Schwing Post, VFW, remember that every penny contributed in the campaign will be spent during the next twelve months for veterans welfare work exclusively. Much of what you give for a Buddy Poppy will be spent right here in Warren—for the benefit of the needy veterans and their dependents.

Those streaks of rust that were prominent through Warren on the Pennsy and New York Central lines during the railroad strike have disappeared as traffic resumes its steady flow over the roads. Funny how we missed the hum of the diesel engines, the familiar chug-chug of coal-powered locomotives during the time that they lay idle in the yards.

The program of oiling earth streets in the borough is well under way but for many sections the work can't be done too soon. Dust has become a real nuisance in all parts of the borough.

Attention, Mr. Weatherman: Circus day, Saturday! Just a little cooperation!

Thirty Pieces of Silver

Here And There

Only the oldest of old timers can recall the days when newsboys chased around the streets, especially on Sunday mornings, crying out the names of the papers they were selling. We were reminded of the practice by the following item taken from the April 18, 1934, issue of the Warren Ledger. "But-gess Orr has instructed the police to prevent the loud calls of newsboys on the Sabbath. Heretofore they have yelled everybody deaf from early morn until after conclusion of the forenoon church services, and then unlike untamed Arabs, yell in the ears of people coming from church, at the same time thrusting papers in their faces and crying out at the top of their lung force, only five cents. If they have no manners the hussies will teach them some. Next Sabbath they will do their Sabbath-breaking in less demonstrative manner, or go to the lockup. There is no particular reason why

a newsboy should not be human on Sunday as well as other days of the week."

The same issue of the Ledger calls attention to the forthcoming commencement for the class of 1934, in this manner: "Closing exercises next week in the public school. Sunday evening a sermon to the graduating class at the M. E. church. Thursday evening, exhibition at the Library Hall, beginning at 7:45. Price of admission 15 cents. Reserved seats at 25 cents. Friday evening, May 30th, at eight o'clock, graduating exercises at Library hall. No charge for admission. Saturday evening the alumni expect to have a good time, and enjoy their honors."

This And That: Had occasion to drive down through Pleasant township the other evening and noticed the Firemen had their new

truck out tuning it up. Surprising how large and far the streams of water were being shot out into a nearby field. The fire hall seems about complete except for the approach and entrance. And that reminds us the Ladies Auxiliary of the department are making plans for a spaghetti supper to be served in Warren Grange Hall next Thursday evening. The women tell me the menu will consist of spaghetti, tossed salad, snacks, pickles, olives, Italian bread, butter, coffee, and sherbet. "And don't forget," one of them reminds, "the spaghetti is being prepared by an Italian expert." Looks like a summer for fresh flowers and vegetables. A subscriber brought to the office Wednesday a dandelion that seems to have about four blossoms on one stem.

John H. McKinney, of Cranberry township, representative in the general assembly from Venango county, well known to both Assemblyman Allen Gibson and State Senator L. E. Chapman, was re-nominated by the Republican voters in his county over Harry S. Gramlich, of Franklin in the Tuesday primary. . . . Corporal James W. Blythe, formerly of the Warren barracks, is currently serving as the officer in charge of the Corry barracks, marking his twentieth year with the State Police. . . . To the polling officials of Clarendon, goes the honor for having been first to phone in results in Tuesday's election after the polls closed at nine o'clock. The first ward of Warren borough beat all others in getting a complete report delivered to the commissioners' office. . . . Train service is about back to normal after the six-day strike, and mail is coming in a little more regularly as a result. . . . Louie Frederickson and his committee, in charge of plans for the Celebration Queen contest in connection with the Fourth of July observance, are expected to come up with some interesting and new ideas for the event when the general committee meets at the American Legion Home next Tuesday evening. . . . A warning to motorists having occasion to use the detour on Route 6 from Roughtown through Kinzua and Route 69 to Kane, is contained in an item in the Republican which says that there are several extremely dangerous curves on the road—one about a mile north of Kane, the Mudlick curve and a few others could be marked to indicate they are hazardous, even at slow speed. The entire road from Kane to Warren county line, about 18 miles, is not conducive to speed higher than 35 miles an hour. . . . Now that warmer weather has arrived homeowners are reminded of the importance of turning radios down late at night, especially when the windows are open and the noise is likely to interfere with the slumber of neighbors.

WASHINGTON COLUMN

Suspicious Natives Hinder U. S. Aid to Southeast Asia

BY PETER EDSON NEA Washington Correspondent

WASHINGTON—(NEA)—Five governments of Southeast Asia now have plans and requests for technical assistance on file with the U. S. government. Total cost of the proposed aid projects is estimated at \$64,000,000 for the next 15 months. They will require the services of some 350 technical experts in the fields of medicine, education, agriculture, mining and engineering.

Viet Nam—Indochina—has asked for the largest assistance, about \$20,000,000. The remainder has been requested by Burma, Siam, Malaya and Indonesia. Burma and Siam may make additional two-year, \$1,250,000 engineering contracts with U. S. firms.

All this technical assistance is exclusive of any military assistance which may be furnished by the U. S. government to Viet Nam, in its war against communism. It is also over and above the \$100,000,000 Export-Import Bank credit authorized for Indonesia.

Most significant news in these disclosures is that assistance can be given to Southeast Asia for "reasonable" amounts. Funds for this aid are believed to be immediately available from the \$100,000,000 of unspent Marshall Plan money earmarked for China. It is believed that this technical assistance can begin to flow to Southeast Asia without waiting for congressional appropriation of Point Four money. If additional legislation is required, the program may be too late, as the need is considered desperate to bolster up the new governments in this area.

THERE is a six-months' recruiting job ahead to find the necessary technicians. Most of the materials required are hand tools, farm tools, basic machine tools, medical supplies and similar equipment which it will take some time to ship. But aid can begin to flow soon. This speed-up in aid to Southeast Asia comes as a result of the State Department's sending a special economic survey mission to the area last February. Head of the mission was R. Allen Griffin, publisher of the Monterey, Calif., Peninsula Herald and former assistant to Marshall Plan administrator Roger Lapham in China.

Summary reports and recommendations were sent back to the State Department as the Griffin mission completed its survey in each country. So there has been ample material to work on in considering requests for aid from the various governments.

When the mission first arrived in Viet Nam, it was greeted in one civil war-ravaged village 12 miles from Hanoi by an arch bearing signs, "Communism—No! Colonialism—Never!"

THIS was typical of the reception throughout the area. Local governments were extremely suspicious of the English-speaking, though American, do-gooders. Native officials looked constantly for the catch in every offer of aid. If tough conditions had been demanded, it is believed that local officials would have taken to the hills and had no part in the deal.

Viet Nam presented a special problem. The French are giving the Viet Namese invaluable military protection in the open, shooting war against Ho Chi Minh and the Communists, but doing little to build up the country's economy. On the other hand, in a non-shooting war which is mostly noise, the Viet Namese seem eager to do everything they can to hurt the French and drive them out of the country.

This opposition to the old colonial powers was also found strong against the British in Malaya and Burma, and against the Dutch in Indonesia. European technicians are being kicked out as fast as possible. The result is that all these countries are desperately short of top government administrators, doctors, farm experts.

All the countries are potentially dollar rich, because of their natural resources. But simple health, education and welfare are luxuries for most of the people.

the cost of medical care

THAT the cost of medical care has risen, no one can deny. But the rise has not been out of proportion to the general advance in the cost of living. At the same time the quality of medical service has been immeasurably improved.

Consider that today your physician has invested from eight to ten years and about ten thousand dollars in his education alone. He has no chance to earn until he is twenty-six or twenty-seven years old. He must have an office in a good neighborhood, good equipment, a car, good clothes.

Pharmacy, too, has stepped up its standards. Almost every state now requires four years of college and a year or two of practice before registration. All this adds up to better medical service for you.

Memorial Plaques On Slightly Plot In Corydon Crossing

Corydon, May 18—With Memorial Day fast approaching, Corydon can boast of two World War II Honor Rolls, one erected during war years at a most suitable and picturesque location at the Corydon Hotel intersection, while the bronze plaque purchased some time back will rest on a newly-laid foundation in a cemetery plot opposite the Corydon schoolhouse.

All of, if not over, 100 years ago this particular site was donated to Corydon village by one of its earliest pioneer settlers, Philip Tome, author of the book "Pioneer Life" or "Thirty Years A Hunter".

Years ago the ancient plot was termed a cemetery of extreme attractiveness lying on all-level ground, it was completely enclosed with native stone posts that held intact effective iron wrought chains much used in the olden days of cemetery decoration.

Today the cemetery presents a somewhat sordid picture, with toppled and tumbling tombstones and the plot for the past few years has been almost solely dependent upon the generosity of Corydon township supervisors who from year to year donate a sum for its upkeep.

It is hoped, however, that possibly in the near future many of these granite grave markers can be set aside and a suitable marker erected carrying the names of a great many of those tried and true, as well as famous pioneer settlers whose remains lie beneath the sod of the long, familiar cemetery plot.

Housework Easy Without Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slow down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild cathartic. Used successfully by millions for over 60 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Complete Plans For Barbershop Singers Night of Harmony

Eldo DeLong, president of the Warren Barbershop Singing Society today announced that arrangements are completed for a gala time Saturday night, May 20, when the society will present its spring Night of Harmony Show at the Warren high school auditorium. The doors will open at 7:30 o'clock, with the curtain going up at 8:15.

The Warren Chorus, under the direction of Earl Ericson, has been practicing diligently for the past several months in preparation for the show, and plans call for the chorus to take a prominent part in the production. The chorus now numbers 45 voices, which is considered exceptional for a community the size of Warren. Don Aberg and Bob Clark are the featured soloists.

And for those who like a touch of the old-time Minstrel Show along with barbershop harmonies, the radio-famed "Melody Men" of Buffalo will present their spectacular "black light" act that has proved such a hit on recent Barbershop Quartet Parades. Included in this act is the ever popular Fred Waring arrangement of "Dry Bones".

There are still a limited number of tickets available at the B and B Smoke Shop, for both the show at the High School and the Afterglow at the Outing Club.

Legend has it that the people of Tibet are descended from a monkey and a she-devil, according to the Encyclopedia Britannica.

"Styles, Selections and Values" were very apparent at the annual mother and daughter banquet held at the North Warren community house Wednesday evening. The affair was sponsored by the JOY and Men's classes of the North Warren Presbyterian church.

The "value" of a delicious ham dinner, prepared and served by the men, was enjoyed by the mothers and daughters, numbering approximately 170. Plue Wendelboe and his committee provided good service, fine food and quantities of it.

"Selections" of those participating in the program were chosen by the following committee: Mona Knapp, chairman; Martha Sanden, Marg Larson, Lib Wendelboe, Romayne Barrett, Bea Stevenson, Marjorie Scott and Gen Jones.

Isabelle Lightner was toastmaster for the following program numbers: Invocation, Mrs. J. H. Cruickshank; toast to daughters, Marie Jewell; toast to mothers,

Quaintance Class Father Bauer Is Entertains Group Birthday Guest

About 75 adults of First Baptist church gathered in the church for the program given by the Quaintance Class, when it entertained the other class of the Sunday school.

Mrs. Earl Wright, president of the class, had charge of the program, which was opened by Herbert Harris, teacher, who extended a hearty welcome to all and suggested if this first of such occasions were successful, similar gatherings should follow.

Ralph Owens led the group in a song fest, and Miss Linnea Scott accompanied the songs and a ladies' trio. The trio, composed of Mrs. Foster Maze, Mrs. Herbert Harris and Miss Viola Lindmark, sang "Bless This House", "The Green Cathedral", and "The Woodpecker." Suitable devotions were given by the pastor, Rev. Milton G. Perry. (The high spot of the evening was the book report given by Mrs. Burke Forbes, who reviewed, "Little Boy Lost". The book was well chosen for the occasion and given so capably that every one there was moved by the story.

A social hour followed the meeting. Mr. and Mrs. Robert Carlson, Mr. and Mrs. F. H. Hertrick, Mrs. Gertrude Sigworth and Mrs. Esther Atkins, working as a committee, had prepared beautiful tables of food and had decorated the activity room. Food and sociability climaxed an enjoyable evening.

BEREAN CLASS

Mrs. Vida Ugard and Mrs. Edna Elder will be hostesses for the meeting of the Berean Class of First Baptist church Friday evening at eight o'clock at the former's home, 1106 Madison avenue. A good attendance is desired.

A short program was given, with a skit played by the young folks of the eighth grade of St. Joseph's school and Miss Bertha Minnell giving several vocal numbers, with Mrs. Marie McGarry at the piano. Cards were enjoyed and a social time held.

The committee in charge, under the leadership of Mrs. Bette Minnell, served a delicious lunch with the serving table attractively decorated with a huge birthday cake, white candles in silver candelabra, and two bowls of white lilacs, tulips and pink roses. Individual birthday cakes served the guests were decorated with lighted candles. In addition to the table appointments, the clubrooms were done in an array of spring flowers and blossom sprays.

The honored guest was presented with a nice remembrance from the group.

Youngsville PTA
Takes Action On
Important Items

Youngsville, May 18—A well attended meeting of the PTA was held in the high school auditorium Tuesday evening to mark the final gathering for this school year. Officers installed by Past President Alice Engstrom were: President, Mrs. Marian Abraham; vice president, Mrs. Dorothy McAllister; secretary, Mrs. Alice Mondo; treasurer, Mrs. Vivian Lindborg.

Features of the meeting were a presentation of the Cub Scouts, who gave some minstrel numbers and two clever skits by Dena Plummer Mourer, leader of the Cub Scouts, gave a talk, thanking the P.T.A. for its help as Cub sponsors. He mentioned the work of the Den Mothers and the group parties of the Cubs, as their Christmas party in the E.U.B. church, the evening the firemen entertained them at the fire hall and gave them instruction in the meaning of fire, alarms and the work of a fireman. This month the lads are making kites and will have a picnic meeting when they fly kites. Several Cubs are now being taken into Boy Scouts.

At the business session of the P.T.A., with Mrs. Abraham presiding, the following motions were carried: First, to send a letter to the proper authorities expressing Youngsville P.T.A. disapproval of socialized medicine; second, to send a local delegation to the Mansfield School of Leadership; third, to make a small donation to the

school janitors for their faithful work.

Mrs. William Meleen discussed the work accomplished by the Pre-school Mothers Club, and gave a list of the instructive addresses given at the meetings of the mothers of pre-school children.

The new president, Mrs. Abraham, re-elected, thanked all those who had helped in the past year in the success of the P.T.A. work and also requested the same fine cooperation in the coming year. Mrs. Abraham also gave an account of the many social and community events which the P.T.A. sponsored.

Mrs. Pauline Halfast, program leader for the year, thanked all who had helped in the year's program and introduced Laura Masin

Rushing Around--

While it can't exactly be called a likeness, the little sketch at the right is a very good picture of the Social Editor, as she dashes from the annual meeting of this to the spring banquet of that, looks ahead to commencement events as she tabulates election returns with one hand, skips from a board meeting to the closing concert of some musical group—and realizes in the midst of it all she has failed to comment fully on the fact that Players Club has rung down the last curtain on this season's schedule of dramatic productions.

We haven't forgotten about "Jennie Kissed Me". It isn't a production that one forgets so readily, but recognition of the efforts of Director Helen Morrow and her hard-working cast have just been lost in the shuffle of the past few days. Recalling a recent remark that it is high time Players Club audiences show their appreciation of something besides sophisticated comedies, we would like to go on record with the statement that there was no sitting on the hands for "Jennie Kissed Me".

It was an amusing play, admirably cast and done to perfection in every detail. It would be necessary to take up each of the cast in turn if deserved credit were to be given for all the fine detail of the show, and that becomes repetitious.

George Cunningham was a wonderful Father Moynihan; Evelyn Donnelly's interpretation of Mrs. Deazy was perfection seldom attained; Beaty faculty members, Richard Andersen and Paul Myers, stepped into roles that gave opportunity for the special talents of each; Ruth Silvius was a perfect love as Jennie, named for a poem and expressing youth and beauty in every line—see what we mean? That's only five of the cast of 14 and we've already run out of descriptive.

The general idea, though, is that we liked the play, audiences on three different nights seemed to like it, and everybody connected with its production is given an individual curtain call for a job well done.

Easy Way to Repair Lawn
Is Also the Best Way

The easiest way to improve a lawn is also the best way. You begin when the ground is soft enough to allow a pointed stick to be thrust into it six inches deep.

First, spread over the lawn area a balanced commercial plant food at the rate of four pounds to 100 square feet. During the spring thaw, when the soil alternately freezes at night, and thaws during the day, the surface is pierced by tiny holes, extending several inches deep. This condition is commonly called "honeycombed."

When plant food and grass seed are spread on a "honeycombed" surface, both find their way down into the soil. Farmers say the seed "muds in." By sowing at this stage you avoid the necessity of loosening the soil of bare spots, and top dressing the seed, and also avoid any danger of the plant food burning the grass. The early start gives your new grass plants a chance to grow up in the cool, moist weather of early spring.

Having fed your lawn its first meal and sown seed with a minimum of labor, your next saving comes from not rolling your lawn.

Research has established that grass does not thrive in compact soil; it needs a loose, porous condition which a heavy roller harms. If you try to level off the lawn surface with a roller, harm may result. The only reason for rolling the lawn is to press down the sod against the subsoil, from which it may have been separated by frost heaving. There has been plenty of such heaving this year, but use a light roller and wait until the soil begins to dry, so that it is moist, not wet.

Next, don't dig weeds. The weed of spring are easily destroyed by spraying the lawn with 2,4-D as soon as the grass begins to grow vigorously. Spray before the dandelions flower, if you still have dandelions. And do not mow your grass, unless it is creeping bent, closer than one and a half inches. This avoids injuring the crown of the grass plant, and permits a rich green color to be maintained, with vigorous growth. Do not remove the clippings on a lawn, except in hot weather, when they are very heavy, and if left to dry might smother or overheat the grass beneath.

The Cherokees of North Carolina do not know what the name of their tribe means.

Of the 26 bones in the foot, the smallest is only three-eighths of an inch long, the largest 2 1/2 inches.

CUSTOMERS FOR 54 YEARS: Among the many awaiting the opening of the Metzger-Wright Co.'s 54th anniversary sale, which opened this morning, were two who have been customers since the company started business here back in 1896. They were Mrs. Nellie Horton Schwing, center, and Mrs. John Sonne, right, looking over merchandise displayed by Miss Victoria Staaf, clerk (left). Both Mrs. Sonne and Mrs. Schwing recalled the time when C. E. Metzger, together with Mr. Smart and Mr. Silberberg opened their store in 1896. From that time to the present day, both have been steady customers of the store, always finding at Metzger-Wright's the items they wanted for themselves and their homes. Mrs. Sonne and Mrs. Schwing are but two of the many Warren people who have made Metzger-Wright's the outstanding store in the community that it is today.

Reserve Officers Talk to Students In Hi School Assembly

In observance of National Defense Week, May 14 to 20, students of Warren High School heard talks by reserve officers in the army, navy, and air force in an assembly yesterday morning.

Lt. Leroy Schneck, army reserve officer, after giving the reasons for peacetime defense and explaining the purposes of the reserve corps, introduced the speakers.

Lt. Leon Crockett told of the part of the army in the defense plan. Lt. Edwin Elise spoke of the value of the training received in the Pennsylvania National Guard for men who later enlist in other branches of service; Lt. Willis Lundahl discussed the opportunities reserve officers living near air bases have in knowing about and in flying the newest types of planes.

Lt. Sidney Blackman recalled the many men from Warren who have served or are serving in the navy. He called attention espec-

ially to four high-ranking officers, Rear Admiral Robert Dennison, the president's naval aide; Captain John Davidson; Captain Roscoe Davidson; and Captain Richard Elliott, who are Warren men. Lt. (j.g.) Norman Honhart spoke briefly of the Marine Corps and of the Coast Guard.

Since the seating capacity of the high school auditorium does not allow all the students to attend an assembly at one time, juniors were present to hear the speakers, while the sophomores listened to the talks as they came to the home rooms over the public address system.

petition asking the borough to revise the zoning ordinance's definition of a residential area to include apartments, apartment houses, and apartment houses with rooms and facilities for transients.

The borough's zoning commission held a hearing on the same petition some time ago, and submitted a recommendation to council that it be turned down on grounds that it was too broad and against good zoning procedure.

Council, by law, must also hold a hearing on the petition before taking final action. However, it is expected that the council also will turn thumbs down to the petition.

The petition originally was filed before council to enable Arthur S. Storm, of Bradford, to build a half-million dollar, six-story apartment house at 404-408 Liberty street with an access entrance on Fourth avenue, next to the county courthouse.

Troops From Cushman Are Given Welcome

Taipei, May 18—(AP)—Nationalist China today welcomed as heroes the 150,000 troops who withdrew from Cushman island without firing a shot.

President and Madame Chiang Kai-Shek gave each of them seven Formosan dollars—about 70 cents each.

The people gave them bananas, watermelons, cakes and sandwiches.

Laudatory banners greeted them everywhere. Speakers extolled them. Their feat in slipping out of Cushman was hailed as a great strategic victory.

Madame Chiang in a welcoming speech, said "we realize how difficult your task has been. This is our last bastion against the Communists and we hope you will fight bravely in its defense."

The troops looked pretty tough. They brought their full equipment. The holds of the transports were crammed with mortars, grenades and other apparatus of war. Schools were given early vacations to provide quarters for the influx of troops.

Quinn Smith, who is associated with Robert Long in the designing and hand painting of fabrics, judged the large display of ceramics, for which prizes were awarded as follows:

First—Mrs. Eloise Kay for a lamp base; Second—Mrs. Nina Mathis for a platter; Third—Mrs. Thelma Myers for a bowl; Fourth—Set of ash trays, Miss Dorothy Allen; Fifth—Dr. Norman C. Morgan for a group of pins; Sixth—Miss Guinevere Knapp for a plate.

Work displayed this year is worthy of special praise and the number of pictures hung far exceeds previous years.

In conjunction with the show, the Wait Office Supply store is having a special window display, showing last year's winners and some pictures not entered in the show this year.

Democrats of State Stirred to Action

in the direction of unity.

The overwhelming Duff-Fine victory assured its control of the 113-member state committee. But Owell's four-year term as national committeeman still has two years to go. It will be the Duff-Fine faction's job to convince Owell to resign if Taylor is to replace him.

Kunkel and Cooke already have wired their victorious opponents a promise of support in the fall. Owell and U. S. Sen. Edward Martin, anti-Duff GOP figures, had no comment except to say they would vote straight Republican in November.

In a formal statement, Democratic Chieftain Spain said the vote showed "only that Duff and Fine have built a political machine that is stronger and more ruthless than their party enemies."

"There was no independent vote cast in the primary," said Spain. "It will be registered in November when the Democratic victory will show conclusively that the people of this state are thoroughly disgusted with the brawling Republican county bosses."

JACOBY ON BRIDGE

NEVER JUDGE A HAND BY THE RESULTS ALONE
BY OSWALD JACOBY
Written for NEA Service
"Please settle an argument for us," pleads a Pittsburgh reader. "We climbed up to a slam with this hand, as you can see by the bidding. We didn't make the slam, because West opened a diamond and East took the first two tricks.
"I said that North had no right to carry the bidding single-handed to a slam. North said the slam would have been a cinch if I had held three aces; or the king of diamonds instead of the queen of diamonds with my actual hand; or even if the missing ace had been the ace of clubs rather than the ace of diamonds. He said also that even with the actual hand I would have made the slam if West had opened a club instead of a diamond.
"North claims that because of all these considerations, the slam contract is reasonably sound. I made a number of statements in reply, chiefly to the effect that we had actually gone down and that I couldn't see the logic in bidding a slam when the opponents could and did take the first two tricks against us.
"Who is right?"
I must take the traditional peacemaker's attitude that there is a certain amount of right on both sides. It isn't fair to judge a hand completely by the results. If you did, you'd have to say that North's bidding was excellent if West opened a club; but that North's bidding was terrible if West opened a diamond.
Instead of bidding for no trump, North should have jumped to four hearts. By the jump to two spades he had already shown a very powerful hand. By jumping to four hearts at his second opportunity, North would show his excellent support for that suit. It would then be up to South to try for slam if his hand happened to be strong enough.
Obviously, South would bid a slam by himself if he held three aces. Likewise, if South had two aces and the king of diamonds, he could bid the slam for himself. He could be quite sure that his partner had at least one ace for the jump takeout and a strong raise in hearts.
In short, North should not have told his story and then left up to South to decide whether or not he wanted to be in a slam.

WORMS TURN UP IN CANS—Newest aid to fishermen is canned live angle worms, put up in special "breather" tin cans by R. Forrest Davis, a high school biology teacher at Boulder, Colo. Here, little Sallie Ann McAllister was all set to sample the wiggly worms when an aggressive robin beat her to it. The canned bait is sold through sport goods stores under slogan, "Fish fight for worms that squirm."

Sheffield Garden Club Will Beautify The Playgrounds

Sheffield, May 18—Members of the Sheffield Garden Club discussed the planting of shrubbery and flowers around the equipment building at the Memorial playground which will be done as soon as a load of topsoil is placed. The Garden club met yesterday afternoon at the home of Mrs. W. O. Christenson.

Recently the club placed two blue spruce trees, one at either side of the memorial plaque stone at the playground. They were placed in memory of Perry Bowser and John Burns, both of whom lost their lives in the armed services and both being sons of Garden Club members.

The club also has placed two flowering dogwood trees in memory of the two boys along the Blue Star Memorial highway, route 22, where other clubs in the state also are placing memorial dogwood trees.

As the program at yesterday's meeting Mrs. Fred M. Carlson read a paper on growing roses.

all call was answered by reciting tributes to mother. Refreshments were served by Miss Kitty Mead and Mrs. Daisy Lanchett. The next meeting will be June 7 at the home of Mrs. A. D. Bramer.

Parents are urged to attend the evening meeting at 8 p. m. tonight at the Washington grade school P.T.A. and to discuss with the teachers the results of the achievement tests taken by the school children last Wednesday. The meeting will be held at the school with installation of officers to be the main item of business.

A social hour has been planned by the program committee under the chairmanship of Mrs. Raymond Haunnesser. Mrs. L. E. Stoltz is chairman of the refreshments committee.

Tonight at 6:30 p. m. the Catholic Daughters of America of St. Anthony's church will have their Mother-Daughter dinner at the Legion home with the American Legion Auxiliary serving the dinner. There will be a musical program for entertainment.

Boy Scout troop 36 will meet at 7:30 p. m. tonight in the Lincoln grade school building.

A meeting of Boy Scout troop 35 was conducted last night in Washington grade school with 26 out of the 27 troop members present. Five of the boys passed part of their Tenderfoot badge requirements.

Plans were made for a hike Sunday afternoon and on Saturday morning the troop will assist with the work at the Sheffield cemetery to get it in readiness for Memorial Day. The past few Saturdays local men and women have been spending their mornings at the cemetery working.

CORYDON

Corydon, May 15—Miss Margaret Crooks was complimented at a surprise birthday party in her home, tendered by the boys' and girls' choir of the Corydon Methodist church in which she is actively interested. The honored guest was the recipient of numerous gifts and the pleasant affair was brought to a close with a supper luncheon.

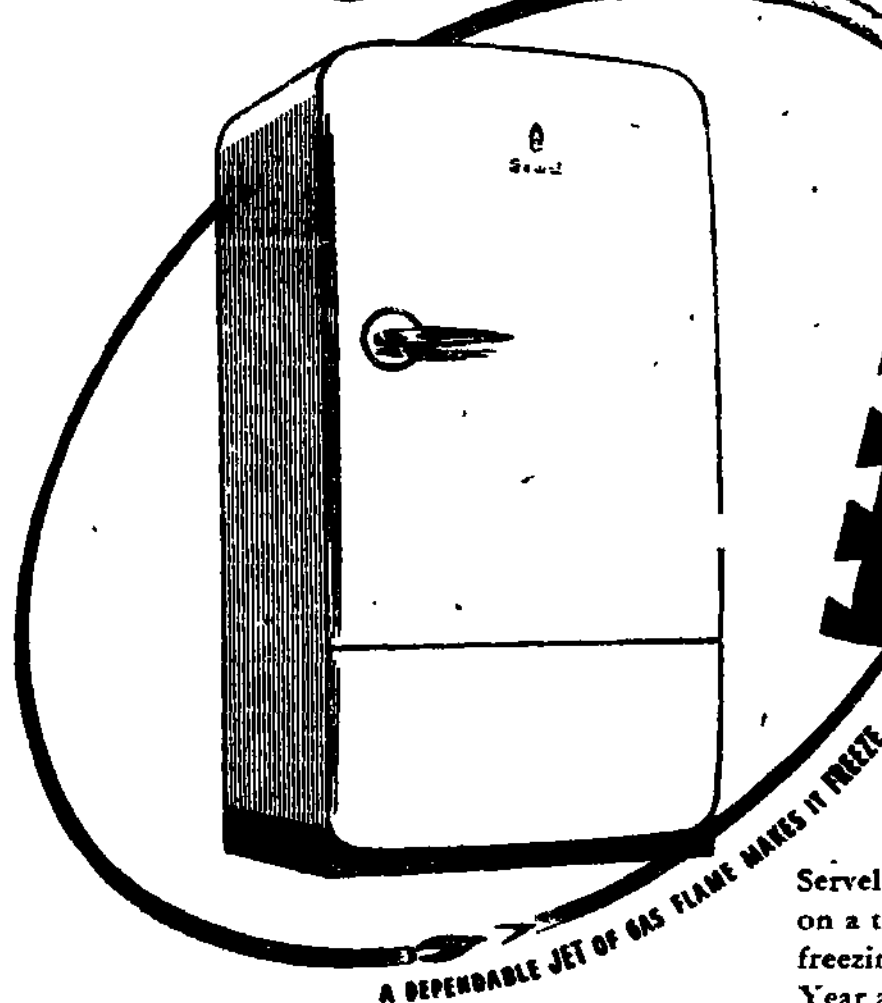

Mrs. Olive Fair was hostess to members of the Foreign Missionary Society of the Nazarene church at which time a dinner was served followed by sewing for the society. Among those present was the Rev. and Mrs. John W. May and daughter, conducting services at the local edifice.

Wednesday Night Social Club members met with Mrs. Jessie Bennett. Awards were made to Wilma Black, Margaret Swift and Lottie Whyte after playing 500 Refreshments were served.

Churches In Sugar Grove Planning For Daily Bible School

Sugar Grove, May 18—At the regular meeting of the Presbyterian Sunday school board, conducted by Superintendent Paul Cariberg, plans were announced for a children's and parents day in June. The group also voted \$10 for the religious instruction which is given weekly at the Landers-Sugar Grove school under the direction of Mrs. Neil Scott.

All Sugar Grove churches will again combine their efforts in a Daily Vacation Bible School, to be held in the Presbyterian church for two weeks beginning June 19. All children of the community will be welcome to attend.

Mr. and Mrs. Don Ellis, of Garibaldi, Ore., were callers at the home of Mr. and Mrs. Graydon Franklin Sunday. Mr. Ellis said that he was born at the Franklin home, which they purchased from Albert Johnson several months ago. The house was built by Mr. Ellis' father, Edmund Ellis, and Don Ellis, who is now 70 years of age, left here when he was 13. His mother and father separated and he went to the western state with his mother. The Franklins told that an Ellis family lived in Chandelers Valley, and upon calling there the visitor discovered a half-brother in Harry Ellis, whom he did not know existed, although Harry Ellis did know he had a half-brother. Needless to say it was a happy reunion. Don Ellis is recently retired as a commercial fisherman, and has been appointed as a member of a three-man ash commission of the state. His wife Anne Ellis, is a member of the state legislature of Oregon.

The couple traveled to Vancouver by boat, then by train to Detroit, where they purchased a new car, and are touring the eastern and southern states.

Mrs. Ellis was born near Buffalo, and from here they were going to that city to visit.

Mr. and Mrs. Vernon VanHorn and daughter, Navarre, of Kane, were weekend guests of their parents, Mr. and Mrs. Delmar Middleton, the occasion celebrating the birthdays of Mrs. Paul Cariberg, Jr., and Vernon Van Horn.

Mr. and Mrs. Kenneth Merchant and daughter, Nancy, of Bradford, were recent guests of Mr. and Mrs. Paul Cariberg, St.

Dr. W. C. Baldwin, of Waterford, who was very seriously injured in an automobile accident March 31st, was taken from the St. Vincent's Hospital in Erie, to his home last week. Mr. and Mrs. Robert Baldwin, Sugar Grove are caring for their parents, as Mrs. Baldwin has also been ill from shock since her husband's accident. Mr. Baldwin drives here each day to his employment as cashier of the local bank.

Mrs. Gerald Miller entertained the NB Club at her home Thursday evening.

Five Million Dollar "Thank You" for Food Parcels

SOLID APPRECIATION of 75,000,000 food parcels received since the outbreak of World War II is planned by Britain. It is a 1,000-roomed residence for students from the U.S.A. and countries of the British Commonwealth, senders of the parcels, and it is the main item to be paid for by a drive for public funds launched by the Lord Mayor of London through the length and breadth of Britain for the equivalent of \$5,000,000. Covering some 17 acres, the residence will be in the heart of London, near London University. Top: Drawing of part of the residence. Middle: Married and women students will be housed on the left, and men on the right. Right: Bomb-shattered houses to be pulled down to make way for part of the new building.

Proceeds will probably total \$85, which will be applied toward the cost of a movie projector bought by the above organizations for community use. The committee included Commander Joe Hamanec, Erlend Olson, Olger Wallin, William Beers, William Ralston, Harry Carl, Dean Walters, Vernon Swanson, Andrew Misulich, Charles Walters and Arthur Snyder.

The winners from Ludlow included Captain Freddie Johnson, Wayne Gregg, Lavern Lindquist, Emory Eckstrom, Captain Patty Begony, Rose Servidio, Frances Schuster, and Martha Kulka. Mr. and Mrs. Robert E. Wenstran, of the Ludlow Garage, director of the A.A.A., were in attendance with the group, as they have done for many years.

PONY LEAGUE ROUND-UP

By The Associated Press

The PONY League's basement boys, the Lockport Reds, had a victory to celebrate today after a row of eight defeats.

But all the Wellsville Senators had was hope. The Senators have lost eight straight and are only a game ahead of the Reds.

Lockport edged Jamestown last night, 4-3. Hamilton downed Wellsville, 5-3. Batavia squeezed Bradford out of the first division 7-6. League-leading Olean beat Hornell, 7-5.

Ray Mueller Goes To Pittsburgh In A Three-Way Shuffle

New York, May 18.—(P)—Major league baseball clubs girded for the long summer run today after stripping down to regular playing weight—the 25-man limit.

Last hour maneuvers to beat the midnight deadline saw a number of significant roster changes, none quite as unique as that of the New York Giants.

Leo Durocher's Polo Grounders, struggling to get out of the second division, were left with four third basemen and pair of inexperienced catchers.

In the biggest move of the day, a three-way shuffle, the Giants bought third baseman Johnny Jorgensen from the Brooklyn Dodgers and sold veteran catcher Ray Mueller to the Pittsburgh Pirates.

Jorgensen immediately runs into a lot of competition for the hot corner spot. Other Giant third basemen on hand are Jack Lohrke, Bill Rigney and Hank Thompson.

Behind the bat Durocher was left with West Westrum and Sam Calderone, neither a seasoned performer.

No price was disclosed in the Jorgensen deal. To make room for the new employee, the Giants sold the 38-year-old Mueller to the Pirates for "more than the \$10,000 waiver price."

The Pirates got down by optioning Pitcher John McCall to their Indianapolis farm club in the American Association.

New York—Liberty Rab (\$66.80) beat the heavily backed Battlefield by a length and a half in the juvenile stakes at Belmont Park.

"YOU HARDLY KNOW THE ROAD IS THERE!"

You won't be the first to say that—
not by a long shot.

One of the first things you notice, when you step from another make of car into Buick, is the wonderful difference in the Buick ride.

There are good technical reasons, if they interest you . . .

Soft coil springs all around, the gentlest type of spring man knows how to make.

A stout torque-tube, acting like the husky keel of a battleship to steady the whole carriage.

Low-pressure tires on wide, Safety-Ride rims, that stop heel-over and sway on curves.

Firm, sure, quick-acting shock absorbers, promptly snubbing the after-bounce of the bigger bumps.

The important thing is what these all add up to.

Freedom at last from jounce and jiggle. A level, floating, road-free passage over almost any kind of road, with even the worst of them tamed and gentled as never before.

Add Fireball power to all this—the roominess of wide, deep seats—the lightness of Buick controls and the liquid silkiness of Dynaflo Drive—and you have a car just too good to miss.

Come try one, won't you? Your Buick dealer will be delighted to demonstrate without obligation—delighted to show you that if you can afford a new car, you probably can afford a Buick.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SUPER models.

ONLY BUICK HAS Dynaflo
AND WITH IT GOES: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with MULTI-GUARD front end, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIDE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

SMOKY JOE

By W. F. BRAGG

Chapter 5

Poking around in the brush back of Pudge Groner, he found boot tracks where a man had hidden. Joe wasn't certain as to size of boots that Whisperin' Johnson wore, but he was sure of the man's pay that Whisperin' had fired the stamped shot and then knocked out Pudge.

Joe brought a bucket of water from the creek, emptied Pudge Groner's gun, then sloshed water over the fat gunhawk's head. Pudge moaned, batted his eyes, and finally sat up.

Pack was sitting up, shaking his black head, and rubbing his right shoulder where Monty's horse had struck him. He took the bucket from Joe's hand and drank deeply. Then he wiped off his mouth and reached for his smoking material before he talked.

"A lot of men," he drawled, "would want to kill you, Joe, for steppin' in the way you did just now."

"Whenever you can bring in more evidence against Monty McDevitt than what you showed," Joe answered, "then you'll find me on your side."

"You may be right," he said, "but who fired the shot that spooked Monty's horse?"

Joe shrugged.

"That," he answered, "is something I can't tell you. But there's tracks over in the brush behind Pudge and an empty cartridge shell."

Pack inspected the sign while Joe moved around the camp, getting his gear ready for the trail. His need for a horse was answered almost while he thought about it. Shorty Dike and the Wrench rider who had galloped up the creek to cut off Monty broke out of the brush. They led two horses with empty saddles, and Joe's runaway mount.

As Joe reached for his saddle and blankets, Shorty lazied in leather and cocked an eye at him. "I'll be wantin' you to ride into town with me," he said.

"You arrestin' me?" Joe asked.

"No. But I'll want you to tell the sheriff all that happened here. I don't aim to let Pack Rogan put blame on me for lettin' Monty get away."

Rogan swung gracefully into his saddle of the big black that bore the brand of Stormy Munro. That aroused Joe.

"Pack—before we part company here—tell me this. You charge Monty with stealin' horses because Pecos found a Wrench cayuse in his pasture. But you're toppin' off that you have a talk with old Judge Boots. He was always your dad's lawyer. He can explain things better'n me."

Sidkin Shorty downed the trail. Rogan picked up Pecos and that tub of lard?

"Don't let looks fool you, Joe. Both of 'em are top men. They been with Rogan two or three months. Probably come north with a Texas trail herd. They run together when they hit town and, like Pudge just said, they don't take nuthin' off nobody."

THE two riders covered fifteen long miles between the county seat and the Antelope Valley. They saw below them, along the main course of Antelope which turned eastward in a big bend, men and teams of horses toiling in the dust and heat.

"Ditch diggers," Shorty explained. "If the ditch company ever puts water on this land, we'll sure boom."

The road pointed smoothly and straight as a rifle barrel toward the boom town.

A clatter broke out down the stretch. A haze of yellow dust sped toward Joe and Shorty.

"That's a buckboard," said Joe. "I can see the wheels row and

SMOKY JOE

By W. F. BRAGG

Chapter 4

Pack Rogan strode over. "Get away from that prisoner, Pecos. You got no right to slap a man when he's helpless. Go after Joe's horse before he gets away again."

The deputy sheriff, now forcing his mount between Monty and Pecos, gave Pack a quick nod. "Thanks," he panted. "I know you stand for law and order, Pack!"

Pack threw back his head with a laugh. "Law and order!" he said sneeringly. "Sure I'm for it, Shorty. But I'd strung up this McDevitt in a second if I knew what he knows."

Joe Munro, waiting it all out, broke in before the deputy sheriff could answer Pack.

"What makes Monty so valuable to you, Pack? What is it that you think he knows?"

Pack aimed a white finger at Monty McDevitt. "He's the killer," he said calmly. "That's why I'm savin' him. In hopes he'll talk."

"Another lie," Monty McDevitt drawled. "The Wrench outfit is on our heels today."

"You'll get no beatin' from me, young coyote! If I had enough evidence to back up what I'm sayin', I'd kill you for the dog you are. You know where Stormy Munro's this minute."

Monty McDevitt spoke in his own defense. "The day that Chris Elven and Munro turned up missin'," he said, "I was up in the hills huntin' two of my saddle horses. was out huntin' for 'em yesterday when your foreman put one of 'em over your land. And every body knows it. That's why he's harged with Elven's murder."

Joe had heard about enough. He hadn't been home long but, like Pack, he believed the law was

blaming his father on mighty flimsy evidence.

"Stormy Munro," he said flatly, "would fight any man at the drop of the hat. Fists, guns, or boots. But he never would shoot a man in the back."

"Your dad," snapped the deputy, "not only killed Elven but he saved off his backbone with a charge of buckshot. Let him come out with that gun and tell us what really happened. We haven't found the gun."

Pack Rogan spat into the dust and laughed. "You never found much of anything, did you, Shorty, exceptin' Elven's carcass? And it had been in the brush so long Doc Holiday couldn't tell much about it exceptin' that there was buck in the back."

"Enough to kill any man," the deputy said grimly.

"I've named the killer," Pack said lazily, pointing again toward Monty. "I'm tired of going it. I'm about ready to agree with Pecos Shay. A quick rope!"

"Here'll be no lynchin'," growled Shorty. "I'm takin' him to town as a suspect."

"Since the rat won't talk," Pack drawled, "and since maybe we'll never find the body of Stormy Munro, let's get rid of this hellion before he kills some more good men." He smiled on Joe. "We'll let you pull on the rope."

THE smile froze on Pack's face, for he felt the barrel of Joe's short gun against his middle.

"You're protectin' the man who killed your father, Joe."

"The law's takin' him to jail for that. So let him go."

"You're a hot-headed fool like your father, Joe. I won't forget soon how you've turned on me."

"Forget my father! You're dealin' with me. You can't strung up Monty McDevitt today. Let him go with the sheriff. Call off your dog!"

There came a sudden yell from Shorty Dike.

"Look out, Joe! That fat hom-

Recruiting For The Blood Program. Is Being Organized

In an all-out effort to assure the success of the Warren county Red Cross Blood Program, representatives of several local clubs and organizations have joined with the Blood program ways and means committee to recruit as many blood donors as possible as quickly as possible.

In a special session held Tuesday, these Warren men attended as spokesmen for the various groups: James M. Senger (Forty Eight), Warren E. Miller (Junior Red Cross); Willis C. Lundahl (Jaycees and American Legion); Albert Arnold (V.F.W.); James Torrance (American Legion); E. G. Garber (Personnel Association); Merrill J. Rohlin (Foreman's Club) and C. C. Winans (Field and Stream Club).

Following a briefing period each representative received a quota of Blood Donor pledge cards and agreed to contact, personally, the combined memberships of the respective organizations.

These civic-minded men fully appreciate the importance of the Red Cross Blood Donor Program and understand the need for a healthy reserve list of blood donors.

It is their job, now, to recruit for the first visit of the Red Cross Bloodmobile, scheduled for Warren on June 14, at least 200 pledged blood donors. If every Warren person approached will realize the significance of this tremendous program—Warren county, as usual, will conduct a highly successful program.

Through the Warren county Red Cross Blood program, all the blood that's needed, when it's needed, at no cost for the product, will be made available.

Sheffield Library Is Given Scout Books

The Sheffield Township Library is very grateful to Mr. and Mrs. Edmond Bamber, of Warren, who paid the library a visit and presented to it the Merit Badge Series of books for use of Boy Scouts in that community.

The books are given to the library by the board of directors of the Ruth M. Smith Children's Home in memory of the late L. B. Jones.

Scouts will find in this series of books all the material needed to prepare themselves as Eagle Scouts. Since there are many in Sheffield who are taking an active interest in the advancement of Scouting, these books will be much used and highly appreciated. In the opinion of Mrs. Cora Lederbur, librarian.

YOUNGSVILLE

Youngsville, May 18—The home of Mr. and Mrs. Frank Weaver was the scene of a very pleasant family gathering Saturday honoring Frank Weaver's birthday. A delicious turkey dinner was served to the following guests: Mr. and Mrs. Albert Anderson, of Corry; F. Lyle Weaver, of Monongahela; Mrs. Ardath Foss, Pittsburgh; Mr. and Mrs. William Olson and little daughter, Jane, of Bradford. The table was decorated with spring flowers. A feature was two birthday cakes. One was made by a daughter, Fern Olson of Bradford, and the other by Mr. Weaver's sister, Mrs. Anderson, of Corry. A son-in-law, E. K. Foss of Pittsburgh, was unable to be present.

William Horn's prize colt, Golden Empress, became the proud mother of a litter of 10 beautiful puppies Tuesday evening. Many of the puppies are exceptionally well marked and should show as well as their mother, who has a fine record including more than one "Best in the Show" trophy, and is a favorite whenever shown. Is Owner Bill the proud boy?
